Wednesday, July 20th, 2022

Dear rowing friends,

It is with great pleasure that we announce the 17th edition of the Challenge d'Aviron de Mer Prince Albert II on November 26th and 27th, 2022. For this new year, we have decided to reenact the same innovative formula implemented in 2021, which was:

- ➔ Limited participation to 20 teams, representing the highest level of coastal rowing. Teams may be composed by rowers from the same club or the same country, or from mixed clubs or countries.
- ➔ Each registration has to be a team of 5 people, made up of 4 rowers: two women and two men, accompanied by a coxswain.
- ➔ The rowers will compete in the following categories: Women Solo, Men Solo, Mixed Double and Coxed Mixed Four.
- ➔ Depending on their ranking, the teams will earn points which will be accumulated over the two days of competition to reveal the final ranking at the end of the last race.

Renewal of the Prize Money

A total prize of 15,000 € will be shared between the top 5 teams.

The best team will win 5,000 €, the second 4,000 €, the third 3,000 €, the fourth 2,000 € and the fifth: 1,000 €.
